Bunker Hill Road Dangerous, 'Tis Said.

BROOKLAND CITIZENS MEET

The report urged that the place be re graded in order to allow the street rail

way to extend its tracks beyond it, and suggested that, if this could not be done, bridges over the tracks be built in several parts of Brookland. If neither of these things can be accomplished, Accitizens think an effective gate system

The association also expressed its de-termination to obtain from the Commis-sioners a hearing in which the necessity of action being taken on the matter will be explained.

### Officers Elected.

After the grade-crossing discussion the following officers were elected unanimously to serve for the ensuing year: A. F. Kinnan, president; M. J. Holmes vice president; E. C. Ford, secretary and treasurer. Mr. Kinnan was chosen to fill the office he holds for the third successive term. E. P. Ellis, secretary for the past year, declined re-election on account of pressing business, and received a rising vote of thanks for the efficient service he has given.
